25X1

The following information was obtained on Polish Army units in ARNSWALDE (O 54/R 13):

1. Polish Commander of the military post was Lt Col BURNOWSKY.
2. A kaserne with six buildings was located on the eastern edge of the town, south of the road to ZUEHLSDORF (SULISZEWO) (O 54/R 23). A Polish tank unit has been quartered in the kaserne since September 1949, which, 25X1 had been previously occupied by repair shops and guard personnel only.
3. A residential block on the southeastern edge of town housed military offices, including an army post office.

25X1 Comment:

25X1 No other 25X1 Polish Army unit in ARNSWALDE. It is assumed that the 9th Tank Regt of the 2d MD, observed in STETTIN up to September 1948, was transferred to ARNSWALDE in September 1949. Lt Col BURNOWSKY was reported for the first time.

No information is available on a Soviet Air Force unit (of the fourth Air Army?) in ARNSWALDE.
